Priority Based Budgeting

Priority Based Budgeting

What is it?

Why priority-based budgeting?

How will it help Banning?

Case Studies

What is Priority Based Budgeting

- ▶ A methodology and software that supports local governments' responsibility to make budget decisions that most positively impact their communities with limited resources

City Council

Agenda Item 8.5

CONSIDER PROPOSED ORDINANCE TO UPDATE THE LOCAL DEVELOPMENT
MITIGATION FEE (LDMF) FOR FUNDING THE WESTERN COUNTY MSHCP

Background

The City of Banning is a member agency of the Western Riverside County Regional Conservation Authority (WRCRCA).

Mayor Colleen Wallace serves as the representative and Mayor Pro-Tem David Happe serves as the alternate

All Cities, from Corona to Banning participate as full voting members of the RCA Board which was formed in 2004 to acquire, administer, and maintain conserved lands within the western portions of Riverside County.

The MSHCP strives to preserve 500,000 acres and protect 146 species, including 33 that are currently listed as threatened or endangered on either the Federal or State Endangered Species List.

Nexus Study Discussion

Participation in the MSHCP is required to receive the City's apportionment of Measure A sales tax revenue. In the previous fiscal-year (F.Y. 19/20) the City of Banning received \$627,191.39 in Measure A funding for local.

The state Mitigation Fee Act (Gov. Code §§ 66000 *et seq.*) requires a Nexus Study to be completed in order to establish a Local Development Mitigation Fee (LDMF).

Pursuant to the Mitigation Fee Act, RCA prepared a new nexus study ("2020 Nexus Study") to update the fees for the first time since original adoption.

According to the Nexus Study, many of the assumptions underlying the original Nexus Study (circa 2004) were not borne out by reality.

The 2020 Nexus Study calculated the expected costs to complete the 500,000-acre acquisition and manage in perpetuity, all managed by the MSHCP.

The Nexus Study extended the reserve acquisition period by an additional fifteen years
