1. Tell us about your background, including education, work, and volunteer experience, civic involvement, and other experience relevant to this appointment.

I have a B.A. in Music and an M.A. in Education. I hold teaching credentials in Special Education, Music, and English. I taught for Banning from 1997 to 2019. I spent most of teaching career working with students who had learning disabilities. I also had the opportunity to do extracurricular work as a choir director and performing arts club director. I supervised student fund raisers, performances, and field trips. I was able to take a group of about 40 students to Disneyland workshops for seven years in a row. My show choir performed at StageCoach Days. I also collaborated with the high school drama teacher to produce the musicals "Once on this Island," "Fame," and "Just Another High School Musical. I co-founded/started Cherry Valley Horsemen's Association and I was Youth Director for Palm Springs Arabian Horse Club.

2. What unique skills and traits would you bring to the commission?

I raised my two boys in Banning. We frequented all of the parks over the course of their youth. They were involved in sports, gymnastics, field trips to Dodger Stadium, swimming, and the Day Camp program. Now, my grandchildren frequent Lyons Park and the pool. I myself attend water aerobics and water Zumba classes. I think I would bring a lifetime of experience in the diverse needs and desires of families, children, and seniors in the community.

3. Identify specific problems or issues facing the Parks and Recreation Department and how you feel they might be resolved.

I lived on the east side of Banning when my kids were small. We went to Roosevelt Park, but it was called Eastside Park back then. You knew you had to be out of there by about 4:00 pm, because cars would line up on George Street to party, and to use and sell drugs. There were streetwalkers there as well. They got that area cleaned up sometime after we moved. Recently, I've noticed a similar problem at Replier Park. Homeless tend to gather there under the shelter not far from the playground. It's a complicated issue. Most of them are harmless, but there is still the potential for alcohol and drug use and the question of whether it's a totally safe environment for kids.

4. Why are you interested in serving on the Parks & Recreation Commission? What do you hope to achieve during your term of service?

Now that I'm retired, I'm looking for ways to get involved and give back to my community. I've seen a lot of good programs come and go. I would like see more opportunities for community involvement; more classes, some field trips, more performing arts activities; plays, a community choir perhaps, a Zombie walk and haunted house on Halloween, a community choir singing at the Christmas Tree lighting ceremony. I could go on, but those are a few of my ideas.

In accordance with Banning's City Council Resolution 2012-67, if selected you will be required to submit to a criminal background investigation, to include LiveScan fingerprinting prior to your formal appointment.

1. Tell us about your background, including education, work, and volunteer experience, civic involvement, and other experience relevant to this appointment.

Good Morning I have lived in Banning for the majority of my life. Growing in the BUSD, and now my kids are in the same district has brought me joy. I have work experience as a Union Electrician and recently working as a Store Manaer in the Desert Hills Outlet stores. My family and I have always enjoyed playing and running in Sylvan park, Reppiler park is where we have enjoyed many of the Hmong New Year food and the basketball courts at Rosevelt park is wherre my duaghter rides her bicycle. Prior to Covid-19 I participated in a Citizens Development Group, this 6 week course introduced me to all areas of the cities departments and the progress each area has made. I am interested in actively participating more in the City and would like to be considered for this committee. Thank you.

2. Please explain the value of Parks and Recreation services to a community and in particular for the City of Banning?

As a member of the community I believe it is important to listen to others when ideas of development and City needs are being discussed. The Park and Recreation department has a direct link to the core of the city. Changes made to the community are quickly noticed and the people appreciate these actions.

3. Why are you interested in serving on the Parks & Recreation Commission? What do you hope to achieve during your term of service?

Serving in this Commission is very interesting to me now that my children and their friends are growing and exploring more of our city streets, parks and community spaces. I would like to learn about the department current plans, future goals and partnerships. For myself, Safety is a priority. Any achievements made would be based on the community satisfaction
