Subject: Opposition to Waste Management Rate Increase
Date: Tuesday, April 11, 2023 3:01:06 PM

To the Honorable City Council Members;

We are opposed to any rate increase being proposed to the residents of Banning for the removal of waste.

Ever since Waste Management took over the waste removal service in Banning, the rates have increased and increased and now you are proposing another rate increase.

We are on a FIXED INCOME and each of these increases affects our cost of living and what we can afford.

Inflation is out of control and directly affects all the people on a fixed income.

Please do not raise the rate of waste removal.

Respectfully,
Robert and LuAnn Benton
