CITY OF BANNING STAFF REPORT

TO: CITY COUNCIL

FROM: Douglas Schulze, City Manager

PREPARED BY: Art Vela, Director of Public Works
Nate Smith, Deputy Director of Public Works/City Engineer

MEETING DATE: October 24, 2023

SUBJECT: Progress Update on Westward Ave/Sun Lakes Blvd Extension Project

RECOMMENDATION:

Receive and File

BACKGROUND:

The Sun Lakes Boulevard Extension Project (also known as the Westward Avenue Extension Project) was awarded by City Council on April 14, 2020 with Resolution 2020-48 for the design of the Arterial roadway completing a gap in the circulation network. The design contract was awarded to Albert A. Webb Associates after a competitive bid process.

The design project has worked through preliminary design and to a 90% design document. Upon review of those plans by senior easement holders and regulatory agencies, comments were generated that would require revisions to the plan set. The Public Works Department has been working with the design team, easement holders, property owners, and regulatory agencies to determine the appropriate path forward to complete the design, obtain permits, and begin construction.

JUSTIFICATION:

The presentation will provide City Council with background information on the project status, changes, additional work required, and funding opportunities. The Public Works Department is presenting two items in regular session (October 24, 2023) for consideration by City Council to continue to move design efforts forward and accept grant funding to assist with project construction.

FISCAL IMPACT:

Consideration of two resolutions in the Regular Meeting for authorization of a change order for project revisions and acceptance of grant funding for construction.

ALTERNATIVES:

None
