PUBLIC COMMENTS  
- On Items Not on the Agenda

There were none.

CORRESPONDENCE:  There was none.
APPOINTMENTS:

1. Appointment to Parks and Recreation Advisory Committee

Mayor Hanna said last week the City Council had a special meeting and interviewed four candidates. There is actually another opening that just came about due to the resignation of a member of the Parks and Recreation Advisory Committee however that position needs to be posted for ten days before the Council can officially make that appointment.

Councilmember Franklin said that there were four very good applicants and it was good to see that the public actually responded and seeing that we have a need here. We did have one person that responded prior to the first deadline so she would like to nominate for the current opening Leroy Miller.

Councilmember Robinson said he would like a clarification that if the other candidates are willing to holdover the ten days and keep the applications on file or do they have to reapply again.

Mayor Hanna said or could we have a second candidate and have that person fill the position after notification.

City Attorney said an opening that is unscheduled when it becomes vacant does have to be posted for ten days before it can be filled. However, the Council could certainly direct that all of the applications that you have already received will be held for this position and they don’t need to reapply but any new applications you get during the ten day period after the posting would also be added into the mix.

Motion Botts/Machisic that nominations be closed and direct staff to carryover all the applications as well as posting for the new vacant position. Motion carried, all in favor.

There was a vote taken and consensus of the Council that Leroy Miller be appointed to the Parks and Recreation Advisory Committee.

PUBLIC HEARINGS

1. Amendment to Title 6 of the Banning Municipal Code to Regulate and Control the Keeping of Animals.
   (Staff Report – Andy Takata, City Manager)

Councilmember Robinson said that because he owns a business that deals with animal care he will abstain from this discussion and he left the Council Chambers at this time.

City Manager stated that as you are aware we have been working with the City of Beaumont for animal control and we have had a lot of positive comments about their visibility, as well as, their handling of some of the animals. Even though our ordinance was closely related to what they had we wanted to have the exact same ordinance so that it would work, as well as, the exact same fees and that way they could have lifetime licenses for those who spay and
neuter and also the officers would not have to use two different sets of ordinances to enforce. He said that the relationship so far has been excellent. As far as costs year to date it is roughly $63,000 dollars that we have been billed. He said that he thinks the animal control from the county including sheltering was going to be about $350,000 for the whole year so basically we have seen a great amount of savings in regards to that. He said it has been a pleasure to work with Beaumont and he invited Frank Coe, Police Chief to come forward at this time.

Chief Coe addressed the Council introducing Sgt. Jeremy Duro who along with his sergeant duties oversees the Animal Control Program for the cities of Calimesa, Beaumont, and Banning and also they are in discussions with the Morongo Reservation to kind of complete the circle and cover from Calimesa to Cabazon. Basically, as the City Manager indicated, they are looking to make this as easy and seamless as possible. They have basically been enforcing their ordinance which is very close to the county’s ordinance in all three cities. It is not their goal in any way, shape or form to use the ordinance as a way to penalize people to generate revenue from administrative citations. They actually reserve that for those significant problems that they cannot get through to the people to get them into compliance. It has actually been working very well and they have identified some issues and concerns within the community of Banning and they have addressed them. They have tried to work very closely with the residents to overcome any of their fears or concerns that we are going to utilize tactics that are going to take the animals and put them down and of course, that is not their goal. They offer several very unique programs and the signature program that they are most proud of is what they call the “lifetime license”. Basically their goal there was to encourage responsible pet ownership. This would allow a pet owner to spay or neuter their animal and insert a microchip into the animal and then offer them the lifetime license and they will pay a fee of $8.00 and although it is called “lifetime” they have to renew their license each time they get their rabies vaccination so if they get a one-year or a three-year vaccination it will go into their system and the person will get a reminder at that time. Also the license tags say “San Gorgonio Pass Animal Licensing”. To date they have responded to approximately 1400 calls for service in 6 months. Out of those 1400 calls they have generated bills to the City of Banning which includes not only their responding to calls but also shelter costs, veterinarian costs in the amount of $63,000. They have taken approximately 500 animals out of those 1400 calls to the shelter, assisted in issuing 300 licenses and have actually installed 178 microchips in Banning animals. Their goal is to again, encourage responsible pet ownership, get animals licensed, and to spay or neuter your pet. The phone is answered 24-hours a day and if you ever call 769-8500 to talk to animal services and you get a recording, he would like to know because that is their police emergency line so it is important that a human answers the phone.

City Manager asked Chief Coe to address how it is working with the animal sheltering.

Chief Coe said that unfortunately right now they do not have a shelter in the San Gorgonio Pass. They have a couple of different options that they are utilizing and they are actually expanding and this is something that Councilmember Robinson could become a party to. One of the things that they are trying to expand is creating “drop off centers” so that if a resident picks up a stray animal in the San Gorgonio Pass they can go to one of the “drop off centers” and animal control will come and pick up the animal and scan it for a microchip. If it has a microchip, they scan it and take it home. They have a temporary shelter system set up in the
City of Beaumont at the police station and are looking at expanding the kennel but have not found the space so they are looking at creating a temporary holding facility and their goal is to hold the animal for seven days and if after seven days no one has come to collect their animal, then it will be taken to the Ramona Shelter where they will assist in putting the animal up for adoption. If they do have to take the animal to the Ramona Shelter, the will take picture of the animal and it will put on-line. If your animal is down in San Jacinto and you don’t have a way to go to San Jacinto and pick up your animal, they will go get the animal and bring it back. They are trying to make this as easy and seamless for the residents to reunite them with their lost animals. This whole program is a living program and they come up with new ideas everyday and it is all in the best interest of the citizens and their animals.

There were various Council questions in regards to licensing, costs to spay and neuter and to microchip, costs when your animal is picked up and boarding fees.

Councilmember Franklin said in our old code we have Section 17.40 that talks about some of the zoning and is this portion going to be included in your code also.

City Manager said yes. Chief Coe said your zoning codes will be amended to reflect what you have adopted here and they also had to do this as well.

City Manager said he wanted to let the Council know that we haven’t abandoned our animal shelter. We are dealing with an individual who is interested in trying to create a non-profit for that animal shelter in order to bring it up to standard for today’s animals, as well as, trying to get our business and business in the Pass in order to bring animals in. Obviously we do not give our business lightly when it comes to animals and we are very concerned that they go to the right place and are taken care of. That individual may be doing some capital improvements at the shelter when we sign the lease in lieu of some rent and that is not uncommon in regard to doing those things and it would be at fair market value currently for the rent.

The following people spoke in favor or against or had some questions or concerns or general comments in regards to this item (any written comments handed to the City Clerk will be attached as an exhibit to the minutes):

Inge Schuler, resident
Ellen Carr, resident
Gary Hironimus, resident
John McQuown, Banning City Treasurer

Seeing no one else coming forward Mayor Hanna closed the public hearing.

Chief Coe answered the questions stating that in regards to microchips they are in the National Registry so when they get a chip inserted in the City of Beaumont it is uploading into the National Registry and the readers that they have are basically the same ones that the veterinarians have so they read actually the HomeAgain and AVID chips and in Beaumont they insert the AVID chips at their clinics. As far as the ordinance authorizing entry on to a property basically that still requires an inspection warrant so they would still need to go before a judge and ask for authorization based on what they tell the judge they expect to find
and locate on the property. The only time that they would go onto the property without a warrant would be a circumstance, for instance, if a neighbor called and said there is an animal in the backyard and it sounds like it is dying. The ordinance does give the authority to go on to the property for the protection of that living creature and usually the animal care officer would request a police officer to go with him. As far as the shelter in Thousand Palms basically he needed to sign a contract with Riverside County to give us that additional option of other shelters in the event the Ramona Shelter was filled and it is very cost prohibited to use them and so at this time they will stay with the Ramona Shelter. In regards to the mandatory spay and neuter basically the mandatory part of it would only kick in when the animal is apprehended by an animal care officer. They are not going to knock on doors and tell people that they have to spay or neuter their animals but they do encourage people to get their animal licensed and microchipped if possible. Their encouragement of responsible pet ownership is their fee structure. So they encourage people for $8 to get that license. As far as not being able to find anything out about Ms. Carr’s cat they have just started their photo program in probably the last 30 to 60 days and so her cat was probably before that period of time. In regards to his comment that the animals may stay in the truck all day that is not really their intention to drive around for 12 hours with an animal in the vehicle. Right now they are actually taking the animals to the shelter as quickly as possible because they have the facilities. As far as what goes on at the shelter he is not an expert about that and he is under the impression the shelter actually does do a basic evaluation of any animal. He is sure that all shelters probably tell pet owners or at least they should that your animal was here and we don’t really know who they were in contact with and would encourage you to take your animal to your veterinarian and take any necessary precautions. Also, if you already have a microchip, they would encourage you to contact the Beaumont Police and if you have the registry information with a certificate from the provider, you can bring that information in and they will upload that information into their system.

Community Development Director said that in regards to the question from Inge Schuler regarding the fowls currently the Zoning Code Chapter 17.40 addressed the fowls and currently there are five zoning districts in the city that allows the keeping of the fowls and they are ranch-agriculture, ranch-agriculture hillside, rural residential, rural residential hillside, and very low density residential and there are also maximum limits. She said that for clarity the language in Section 6.02.040 of the Banning Municipal Code shall be amended to read, “No person, either as owner, agent or employee, shall keep any roosters, peacocks, or pigeons, doves, ducks or other birds or fowl, domestic or otherwise within the City of Banning with the exception of the zoning districts in which the fowls are permitted by Chapter 17.40 of the Banning Zoning Code.

Mayor Pro Tem Machisic thanked Chief Coe and the City of Beaumont for coming forward and organizing this program dealing with animal control. He said that our cities whether you are talking about Calimesa, Banning or Beaumont or the Reservation we are pretty small and as a result we can’t offer all the services that the people would like to have and one of the things that we have to do is that we have to operate as a region. He thinks that animal control is one of the things that we have to operate as a region and when we do that that means that some of the individual things that the City of Banning has been doing for a large number of years we have to mesh into this united organization and that requires change. This is a great step forward for the City of Banning.
Mayor Hanna asked the City Clerk to read the title of Ordinance No. 1437. City Clerk read: 
An Ordinance of the City Council of the City of Banning, California, Amending Title 6 of the 
Banning Municipal Code by Adopting by Reference the Entirety of Title 6 of the Beaumont 
Municipal Code Entitled “Animals” Relative to Animal Control and Regulation.

**Motion Botts/Machisic to waive further reading of Ordinance No. 1437. Motion carried,**
**all in favor with Councilmember Robinson not voting.**

**Motion Machisic/Franklin that Ordinance No. 1437 pass its first reading as amended.**
**Motion carried, all in favor with Councilmember Robinson not voting.**

City Manager said that Councilmember Machisic did mention about the regional thing and there 
are other regional things that we are trying to explore with Beaumont. Also, even though we 
have the savings he would like to remind the Council that we still have a structural deficit and 
that savings would go towards taking care of part of that structural deficit that we currently have.

Councilmember Robinson returned to the Council Chambers at this time.

2. Ordinance No. 1436 of the City of Council of the City of Banning, California, 
Amending Banning Municipal Code Chapter 8.32 and 8.48 Relating to Graffiti 
Prevention, Removal and Cost Recovery. 
(Staff Report - Phil Holder, Lieutenant)

Lt. Holder addressed the Council stating that the City’s current graffiti ordinance was enacted 
in 1965 and it is obviously outdated and inadequate to handle our current problems. The 
proposed changes will address the growing problem by implementing safeguards to prevent 
opportunities for graffiti vandals and discouraging their activities through penalties and 
restitution including parental civil liability. He read the eight principles that the provision will 
provide (see Exhibit A).

There was some Council and staff discussion regarding statistics on graffiti, discussion with 
other utilities and costs to the City, how many are juveniles, and liability of parents at this 
time and avenues on seeking restitution.

Councilmember Franklin asked Lt. Holder if he would clarify Item No. 2 for the public 
because it is a little confusing and where does the money come from for the reward.

Lt. Holder said that unfortunately sometimes you may have a business owner or a homeowner 
where graffiti has been placed on their property and they have chosen either because they 
don’t want it there or they are indifferent, they don’t remove the graffiti themselves. This 
would allow the City to have access to that property to cover up the graffiti and then it would 
be up to the City to determine if they want to seek reimbursement for the cost of repainting 
that graffiti. The money for the reward for conviction obviously we would know who 
committed the crime and we would see restitution from the minor, the adult or the parents of 
the minor. To report graffiti you can call and leave a message on the Graffiti Hotline at 951- 
922-3290.
City Manager said as you heard our police department does an excellent job in getting the persons that actually do the tagging and wanted to congratulate them on doing such a good job. But the other ones that you don’t see are the ones that take graffiti down and our crew that works with Public Works takes that graffiti down pretty quickly and they do an excellent job also.

Mayor Hanna opened the public hearing on this item for public comments.

The following people spoke in favor or against or had some questions or concerns or general comments in regards to this item (any written comments handed to the City Clerk will be attached as an exhibit to the minutes):

Inge Schuler, resident
Gary Hironimus, resident

Seeing no one else coming forward Mayor Hanna closed the public hearing.

Lt. Holder responded to the question about photos and stated that they do take pictures of the tagging for evidencing purposes so that they can later go back and prosecute the subjects who graffiti. Also, he wanted to clarify that the 24-hour graffiti hotline doesn’t necessarily mean that at 2:00 a.m. someone is going to respond and cover up the graffiti but they will get there as soon as they can on a normal business day but again, if there is something that is so inflammatory to the public, the police department is pretty quick in contacting public works and will work to have that removed.

Mayor Hanna asked the City Clerk to read the title of Ordinance No. 1436. City Clerk read: An Ordinance of the City Council of the City of Banning, California, Amending Banning Municipal Code Chapter 8.32 and 8.48 Relating to Graffiti Prevention, Removal and Cost Recovery.

Motion Franklin/Botts to waive further reading of Ordinance No. 1436. Motion carried, all in favor.

Motion Botts/Robinson that Ordinance No. 1436 pass its first reading. Motion carried, all in favor.

3. Resolution No. 2011-10, A Resolution of the City Council of the City of Banning, Approving Adoption of the Banning Park and Recreation Master Plan Update.

City Manager said that unfortunately we have a staff member out ill and is unable to attend but he is asking that the public hearing be opened and keep it open until our next meeting.

Mayor Hanna opened the public hearing on this item.

Motion Machisic/Robinson to keep this public hearing open until the next City Council meeting. Motion carried, all in favor.
REPORTS OF OFFICERS

1. Activation of a Housing Authority
   (Staff Report - Zai Abu Bakar, Community Development Director)

Zai stated that this is in response to the Governor’s proposal to eliminate redevelopment agencies. As part of the Governor’s proposal he is suggesting that any low and moderate income housing be transferred in the future to the County Housing Authority. So what staff is bringing before the Council is a resolution to establish a housing authority trying to curb the proposal by the Governor. At subsequent meetings the bylaws, etc. will be brought back to the Council so this is the first step towards trying to take action to oppose the Governor’s proposal. You would also need to adopt a finding that the housing authority is required based on the Health and Safety Code Section and this is included in the resolution.

City Manager said just to add to that basically what you are doing is taking those monies in the housing authority and having them go towards Banning because if they would go to the Housing Authority in Riverside County the Council would not have any control at that point in time.

City Attorney said that he would like to add just one section to the resolution that makes the City Manager the Executive Director of the entity and directs that these bylaws and other documents that Zai referred to would be brought back and adopted by the Board.

Councilmember Botts said if we create this we can then make a decision subject to what happens in the Sacramento to transfer current tax set a side, 20% tax set a side, monies from redevelopment into this in total.

City Attorney said that in terms of some of the actions that we are contemplating that the Governor might take he thinks that there are some follow-up things we would want the Council to do to implement this in terms of looking at budgets and allocating funds and so forth. We really don’t have that program laid out tonight; this is just the first step. Even should the proposal not go forward because there are certainly a number of legislative hurdles there are many redevelopment agencies and municipalities that have also set up housing authorities and they feel that it helps give a focus to the housing activity to have a separate housing authority meeting and those meetings don’t have to take a long time and it gives a lot of flexibility of how that is set up and that is why we need to prepare the by-laws and so forth. We think there is a reasonable chance that even if this didn’t go forward, there is a good reason to have a housing authority.

Mayor Hanna opened the item for public comments. There were none.

Councilmember Botts said in the last paragraph on page 334 you talk about when these powers are created that we could assist traditional housing.

City Attorney said that there is a whole separate law dealing with the housing authorities as compared to redevelopment agencies. When you look at the provision in the redevelopment law concerning housing they are certainly very extensive but the provisions in the laws of the housing authority are actually a little more detailed and comprehensive so there are some
additional specifications. Another thing about redevelopment agencies is that its housing authorities are focused within the project areas. An Agency can spend money outside of a project area for housing but of course for a housing authority it is the whole jurisdiction that is the focus of the housing activities and not limited to project areas. There are a number of ways like that with the housing authority law that is a little bit more extensive than what we find in the community redevelopment law.

Mayor Hanna said that we are also to designate a first interim chairperson of the housing authority and she would propose Councilmember Franklin, if she is agreeable. Councilmember Franklin said yes.

City Attorney said that the City Attorney is General Counsel, the City Manager is the Executive Director and the Interim Chairperson would be Boardmember Debbie Franklin until such time as you adopt the bylaws.

**Motion Botts/Robinson that the City Council adopt Resolution No. 2011-14, Declaring that there is a need for a Housing Authority to function in the City, Declaring that the Members of the City Council shall be the commissioners of the Housing Authority and designate the first interim Chair of the Housing Authority as amended by the City Attorney. Motion carried, all in favor.**

**ANNOUNCEMENTS/REPORTS**  *(Upcoming Events/Other Items if any)*

**City Council**

Councilmember Robinson –
- He attended the February 16th construction job walk at the hospital and it is getting to be a very exciting process and at the end of March one of the first phases will be done. The roofs are almost all redone on the old section and that will not have patient care in it when that is over and there will be another section for patient care. In regards to the emergency room you can see the steel structure and the concrete floors and they are getting ready to put on siding, etc. The 60th Anniversary will be dedicated to WWII Veterans that went through that hospital and other WWII Veterans.

Councilmember Botts –
- You are recall the 12-hour stoppage on Interstate 10 a couple of years ago and then a 6-hour stoppage and two things are happening. The Interstate 10 bypass is moving forward and is in the design stages and Caltrans is working with the California Highway Patrol on developing a plan where they would take out some K-rails at strategic spots and put in lockable gates with the property authorities having keys and so forth to be able to open those gates and re-route traffic.

Councilmember Franklin –
- There are some classes for computer training that are being offered at the library on Tuesdays in regards to basic and advanced training.
- She attending the Community Action Partnership meeting last week and the President is talking about doing away with Community Action programs completely. For people here in Riverside County that would include the low energy heat and energy assistance programs,
weatherization programs, as well as, the mediation programs that really help our courts. We will be getting more information for Riverside County.

- She extended a thank you to all our City staff. We had an opportunity attend the Employee Recognition last week but she really wanted to say thank to all of the staff because they are doing a really good job for us.

Mayor Hanna –

- She said that in the Press Enterprise Business Section on Saturday it reported that Banning RV sold the most travel trailers in California.
- She came across some research about buy local campaigns. Our Banning Chamber of Commerce, as well as, the City have been cooperating with other chambers in the Pass for a buy local program and she thought maybe it would be good to have an update on that and how people can participate in that program. It really helps our local businesses stay in business if you buy local.
- She said she just received an email from Ken Miller, Director of Facilities for the Banning Unified School District and at our recent joint meeting with the Board of Education we discussed having the City participate in the planning and participation in the opening ceremony and ribbon cutting for the Banning High School athletic facilities. They would like to start planning that the week of March 7th and if it is okay with everyone she would suggest that the 2 x 2 committee with the school district be those persons to participate in that planning and that would be herself and Councilmember Franklin. There was Council consensus.

City Committee Reports - There were none.

Report by City Attorney – Nothing to report at this time.

Report by City Manager

- He said that on March 7th at 5:30 p.m. in the Council Chambers there will be a meeting to try to create a committee for our Centennial Anniversary in 2013. So if anyone is interested try to attend.
- Also we had about 600 homes that had electrical issues that were caused by a truck running into a pole and that employer of that truck fired the person on the spot. This caused a breaker of Southern California Edison to trip that normally would not have happened and city hall was also affected and this happened around 6:50 a.m. today.
- Also this is a warning that we have had individuals that have been disguising themselves as City utility workers mainly and we received a letter from a lady stating that these individuals pretended to be electrical workers and were asking for money. He wanted to let everyone know that our staff will never ask for any money from you directly at that point in time and please make sure that they have the appropriate identification on their shirts and those types of things before allowing them to even look at our electricity.
- The work on George Street up Almond Way has been completed.

Mayor Hanna said that the Council will have a special joint meeting on Tuesday, March 1st with the Banning Library Board starting at 5 p.m.

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY
BANNING, CALIFORNIA, AMENDING BANNING
MUNICIPAL CODE CHAPTER 8.32 AND CHAPTER 8.48
RELATING TO GRAFFITI PREVENTION, REMOVAL.

WHEREAS, the City Council of the City of Banning ("City") finds that the increase of graffiti, on both public and private property, is creating a condition within the City which results in blight and deterioration of property values and of the comfortable enjoyment of life and property for adjacent and surrounding residents and owners, and contributes to the overall detriment of the City; and

WHEREAS, the City Council finds that graffiti constitutes a public nuisance and a threat to public safety which must be abated to alleviate the detrimental impact of such graffiti on the City, and to prevent the further spread of graffiti; and

WHEREAS, the City Council finds that there exists an increasing number of graffiti implements with which individuals can deface public and private property by writing, painting, and/or drawing on surfaces and the City’s municipal code provisions must be expanded to include definitions of these graffiti implements; and

WHEREAS, the City Council finds that holding parents and legal guardians liable for graffiti caused by their minor children will encourage the active involvement of parents and legal guardians in preventing graffiti within the City; and

WHEREAS, the City Council finds that issuing a monetary reward for information leading to the arrest and/or filing of a criminal complaint will contribute to the punishment of and deterrence against graffiti offenses; and

WHEREAS, the City Council finds that a process for recoupment of costs for abatement of graffiti will reimburse the City for some of its costs associated with the graffiti and encourage property owners to maintain their property free of graffiti; and

WHEREAS, Government Code Section 53069.3 authorizes the City of Banning to enact ordinances to provide for the use of City funds to remove graffiti from public or private property, and in order to promote expeditious removal of graffiti; and

In the event of multiple contributors of information for a single violation, the reward amount shall be divided by the city in the manner deemed appropriate by the city police chief. For the purposes of this section, diversion of the offending violator to a community service program, or a plea bargain to a lesser offense, shall constitute a conviction.

B. Claims for rewards under this section shall be filed, processed, and paid in accordance with procedures established by the police chief.

C. The person convicted of committing the graffiti offense shall be liable for any rewards paid pursuant to this section and, if that person is an unemancipated minor, the custodial parent of said minor shall be jointly and severally liable for any rewards paid pursuant to this section.

2. The period of community service shall be performed under the supervision of a community service provider approved by the chief of police or his or her designee.
Section 2. Sections 8.48.590, 8.48.600 and 8.48.610 of Chapter 8.48 is hereby amended to read as follows:

A. The abatement of any nuisance resulting from the defacement of the property of another by graffiti or any other inscribed material as prescribed in this Code shall be at the sole expense of the person, minor or other person creating, causing or committing the nuisance.

B. If the person creating, causing or committing the nuisance is a minor, the parent or guardian having custody and control of the minor shall be jointly and severally liable with the minor. The city shall make the expense of abatement of any nuisance, resulting from the defacement by a minor of the property of another by graffiti or any other inscribed material, a lien against the property of a parent or guardian having custody and control of the minor and/or a personal obligation against the parent or guardian having custody and control of the minor.

C. The prevailing party in any action, administrative proceeding or special procedure to abate a nuisance pursuant to this section may recover its reasonable attorneys' fees in those individual actions or proceedings wherein the city elects, at the initiation of that individual action or proceeding, to seek recovery of its own attorneys' fees. In no action, administrative proceeding, or special proceeding shall an award of attorneys' fees to any prevailing party to exceed the amount of reasonable attorneys' fees incurred by the city in the action or proceeding.

D. The city may collect the cost of abatement of any nuisance, resulting from the defacement of the property of another by graffiti or any other inscribed material, and related administrative costs by either: (1) obtaining a court order stating that this reimbursement requirement is a personal obligation of the minor or other person or parent or guardian having custody and control over the minor who committed the defacement, recoverable by the city in the same manner as any civil judgment; (2) recording a nuisance abatement lien against a parcel of land owned by the minor or other person or parent or guardian having custody and control over the minor who committed the defacement; or (3) making the cost of abatement of a nuisance resulting from the defacement of the property of another, a special assessment against a parcel of land owned by the minor or other person or parent or guardian having custody and control over the minor who committed the defacement.

E. Alternatively, the property owner of the property maintaining the graffiti nuisance may be liable for the expense of abatement. In such case, the expense of abatement of the graffiti nuisance may be a lien against the property on which it is maintained and a personal obligation against the property owner.
F. If the property owner maintaining the graffiti nuisance is liable for the expense of abatement, the property owner may request the city for a release from any lien and/or personal obligation for such expense upon showing proof that another person has been convicted of causing the graffiti nuisance on the property. For the purposes of this section, diversion of the offending violator to a community service program or a plea bargain to a lesser offense shall constitute a conviction.

G. The city manager or his designee shall keep an accounting of the cost, including incidental expenses, of abatement of such nuisance for each separate lot, or parcel of land where the work has been done and shall render an itemized report in writing to the city council showing the cost of abatement, including salvage value, if applicable, for each separate lot or parcel of land; provided, that before the report is submitted to the city council for approval, a copy of the same shall be posted for at least five days upon the premises or property upon which such building(s) or structure(s) were situated, together with a notice of the time when the report shall be submitted to the city council for confirmation; a copy of the report and notice shall be served upon minor or other person or parent or guardian having custody and control over the minor who committed the defacement, and the owner of the property, in accordance with Section 415.10 et. seq. of the Code of Civil Procedure, at least five (5) days prior to submitting the same to the council; proof of the posting and service shall be made by affidavit and filed with the city clerk of the city. The term "incidental expenses" includes, but is not limited to, the actual expenses and costs of the city in the preparation of notices, specifications and contracts, and in inspecting the work, and the costs of printing and mailings required under this chapter.

H. At the time and place fixed for receiving and considering the report, the city council shall hear and pass upon the report of the city manager or his designee, together with any objections or protests, which must be in writing, raised by any of the persons liable to be assessed for the cost of abating such nuisance. Thereupon the city council may make such revision, correction or modification to the report as it may deem just, after which, by resolution, the report as submitted, or as revised, corrected or modified, shall be confirmed; provided, that the hearing or consideration may be continued from time to time. The decision of the city council on all protests and objections which may be made shall be final and conclusive.

8.48.600 – Graffiti – Nuisance abatement lien.

A. Prior to the recordation of a graffiti nuisance abatement lien, notice shall be given to the person or parent or guardian having custody and control over the minor who committed the defacement by graffiti or any other inscribed material, and/or the owner of the abated property on which the graffiti was maintained as shown on the last equalized assessment roll or supplemental roll, whichever is more current. Such notice shall be served in the same manner as a summons.
in a civil action in accordance with Sections 415.10 et seq., of the Code of Civil Procedure. The date upon which service is made shall be entered on or affixed to the face of the copy of the notice at the time of service. However, service of such notice without such date shall be valid and effective.

B. A graffiti nuisance abatement lien shall be recorded in the Riverside County recorder's office and from the date of recording shall have the force, effect, and priority of a judgment lien.

C. A graffiti nuisance abatement lien authorized by this section shall specify the amount of the lien, the name of the agency on whose behalf the lien is imposed, the date of the abatement order, the street address, legal description and assessor's parcel number of the parcel on which the lien is imposed, and the name and address of the recorded owner of the parcel.

D. If the lien is discharged, released, or satisfied, either through payment or foreclosure, notice of the discharge containing the information specified in subsection B of this section shall be recorded by the city. A graffiti nuisance abatement lien and the release of the lien shall be indexed in the grantor-grantee index.

E. A graffiti nuisance abatement lien may be satisfied through foreclosure in an action brought by the city. The city may recover from the property owner any costs incurred regarding the processing and recording of the lien and providing notice to the property owner as part of its foreclosure action to enforce the lien or as a condition of releasing the lien upon payment.

1.48.610 – Graffiti Special assessment.

A. As an alternative to the recordation of a graffiti nuisance abatement lien, the city may make the cost of the abatement of any nuisance resulting from the defacement by a minor or other person of property of another by graffiti or other inscribed material, and related administrative costs, a special assessment against a parcel of land owned by the minor or other person or by the parent or guardian having custody and control of the minor, or the owner of the abated property on which the graffiti was maintained.

B. The assessment may be collected at the same time and in the same manner as ordinary municipal taxes are collected, and shall be subject to the same penalties and the same procedure and sale in case of delinquency as provided for ordinary municipal taxes. All laws applicable to the levy, collection and enforcement of municipal taxes shall be applicable to the special assessment. However, if any real property to which the cost of abatement relates has been transferred or conveyed to a bona fide purchaser for value, or if a lien of a bona fide encumbrance for value has been created and attached thereon, prior to the date on which the first installment of the taxes would become delinquent, then
the cost of abatement shall not result in a lien against the real property but instead shall be transferred to the unsecured roll for collection.

C. Notices or instruments relating to the abatement proceeding or special assessment may be recorded.

D. Upon entry of a second or subsequent civil or criminal judgment within a two-year period finding a minor or other person or parent or guardian having custody and control of a minor responsible for a condition that may be abated as a nuisance pursuant to subsection A of this section, the court may order such minor or other person or parent or guardian having custody and control of such minor to pay treble the costs of the abatement.

Section 3. If any chapter, article, section, subsection, subdivision, sentence, clause, phrase, or portion of this Ordinance, or the application thereof to any person, is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portion of this Ordinance or its application to other persons. The city council hereby declares that it would have adopted this Ordinance and each chapter, article, section, subsection, subdivision, sentence, clause, phrase or portion thereof, irrespective of the fact that any one or more subsections, subdivisions, sentences, clauses, phrases, or portions of the application thereof to any person, be declared invalid or unconstitutional. No portion of this Ordinance shall supersede any local, State, or Federal law, regulation, or codes dealing with life safety factors.

Section 4. The Mayor shall sign this Ordinance and the city clerk shall attest thereto and shall within fifteen (15) days of its adoption cause it, or a summary of it, to be published in the Record Gazette, a newspaper published and circulated in the city. Thereupon this Ordinance shall take effect thirty (30) days after adoption and be in force and effect according to law.

6.03 Interest.

Lessee acknowledges that late payment by Lessee of rent or any sums due hereunder will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Any rent or sums due hereunder paid after the due date shall accrue interest commencing ten (10) days following the due date at the rate of [one percent (1%) per month or the maximum legal rate, whichever is more, compounded monthly]—. The parties agree that the foregoing amounts represent a reasonable interest rate, and a fair and reasonable estimate of the cost that Lessor will incur by reason of such late payment. Acceptance of any late payment charge shall not constitute a waiver of any default nor prevent Lessor from exercising any other rights or remedies granted hereunder.

6.04 Surrender of Premises.

(a) General.

In the event of any termination of the Lease, whether by lapse of time, cancellation, forfeiture, default, or otherwise, Lessee shall immediately surrender and deliver the Premises to Lessor, and all rights and claims of Lessee in and to use and enjoyment of such Premises shall cease. Such termination shall not release the Lessee from any liability which accrued under this Lease to Lessor prior to such termination.

(b) Condition of Premises.

Except as otherwise provided in Section 5.01, upon said termination, Lessee shall surrender the Premises neat and clean, in good and tenantable condition, reasonable wear and tear excepted. Lessee shall do all work and make all repairs necessary to place the Premises in said condition at Lessee’s sole expense, and should Lessee fail to do such work and make such repairs after receipt of Lessor’s demand to do so, Lessor may perform such work, and Lessee shall reimburse Lessor for the expense thereof within ten (10) days after being invoiced therefor by Lessor.
(c) **Removal of Property.**

Upon termination, and provided Lessee is not in default hereunder, Lessee shall have the right to remove from the Premises all furniture, furnishings, fixtures, and equipment placed in the Premises, provided that Lessee shall make all repairs to the Premises required because of such removal. If any of such property shall remain in the Premises after the end of the term hereof, such property shall be and become, at the option of Lessor, the property of Lessor without any claim therein of Lessee; provided that Lessor may direct Lessee to remove such property and if Lessee fails to remove such when directed to do so by Lessor, then Lessor may remove such property and Lessee shall reimburse Lessor for the expense thereof within ten (10) days after being invoiced therefor by Lessor.

(d) **Quitclaim Deed.**

Upon termination, Lessee shall execute a quitclaim deed quitclaiming all of its right, title, and interest in and to the Premises to Lessor.

(e) **Holding Over.**

This Lease shall terminate and become null and void without further notice upon expiration of the term herein specified, and any holding over by Lessee after such expiration shall not constitute a renewal hereof or give Lessee any rights under this Lease. If Lessee fails to surrender the Premises, Lessee shall indemnify and hold Lessor harmless from all loss or liability, including any claims made by any succeeding tenant.

[At the end of the term of this Lease, should Lessee hold over for any reason, it is agreed that in the absence of a written agreement to the contrary, the tenancy shall be from month to month only and not a renewal of this Lease or an extension for further term. Lessee shall pay monthly rent in an amount established by Lessor, and the month to month tenancy shall be subject to every other term, covenant and condition in this Lease that is consistent with and not contrary to a month to month tenancy.]

6.05 **Legal Actions.**

(a) **Institution of Legal Actions.**

In addition to any other rights or remedies, either party may institute legal action to cure, correct or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purpose of this Lease. Legal actions must be instituted and maintained in the Superior Court of the County of Riverside, State of California.

(b) **Applicable Law and Forum.**

The laws of the State of California shall govern the interpretation and enforcement of this Lease.

6.06 **Rights and Remedies are Cumulative.**
Except as otherwise expressly stated in this Lease, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

6.07 Waiver.

Lessor may waive any default hereunder in writing. Except as otherwise provided in this Lease, waiver by either party of the performance of any covenant, condition, or promise, or a default shall not invalidate this Lease, nor shall it be considered a waiver of any other covenant, condition, or promise or default. Waiver by either party of the time for performing any act shall not constitute a waiver of time for performing any other act or an identical act required to be performed at a later time. The delay or forbearance by either party in exercising any remedy or right as to any default shall not operate as a waiver of any default or of any rights or remedies or to deprive such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

6.08 Attorney’s Fees.

If either party to this Lease is required to initiate or defend any action or proceeding in any way connected with this Lease, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to receive reasonable attorney’s fees from the other party. Attorney’s fees shall include attorney’s fees on any appeal, and in addition a party entitled to attorney’s fees shall be entitled to all other reasonable costs for investigating such action, taking depositions and discovery and all other necessary costs the court allows which are incurred in such litigation. All such fees shall be deemed to have accrued on commencement of such action and shall be enforceable whether or not such action is prosecuted to judgment.

7.00 ESTOPPEL CERTIFICATE, ATTORNEMENT, SUBORDINATION, MORTGAGEE PROTECTION CLAUSE

7.1 Estoppel Certificate.

Within five (5) days after Lessor’s written request, Lessee agrees to deliver in recordable form a certificate to any proposed mortgagee, lessee or purchaser, or to Lessor, certifying to such items as may be requested, including but not limited to that the lease is in full force and effect, the dates of payment, and the non-existence of defaults, the subordination of the lease and any other information that may be requested. If Lessee fails to timely execute the estoppel certificate, Lessee shall pay Lessor on demand a late fee of $250.00 and such failure may, at Lessor’s sole discretion, be considered a material default by Lessee under this Lease. Lessor and addressees shall be entitled to rely on said certificate.

7.2 Attornment.

Lessee shall, in the event any proceedings are brought for the foreclosure of, or in the event of exercise of the power of sale under any mortgage, other lease or document made by the Lessor covering the Premises, attorn to the purchaser or ground lessor upon any such foreclosure

or sale or termination of ground lease and recognize such purchaser or ground lessor as the Lessor under this Lease, provided that any purchaser or mortgagee or ground lessor shall recognize this Lease as remaining in full force and effect so long as Lessee is not in default hereunder.]

7.3 Subordination.

Upon the written request of Lessor, Lessee will immediately subordinate its rights hereunder to the lien of any mortgage or mortgages or the lien resulting from any other method of financing or refinancing, and to all advances made or hereunder to be made upon the security thereof. This Section 8.03 shall be self-operative and no further instrument or subordination shall be required unless requested by Lessor’s mortgagee or ground lessor. Lessee covenants and agrees that it will execute subordination agreements at any time upon Lessor’s written request without compensation being made therefor. However, if Lessor so elects, this Lease shall be deemed prior to any mortgage, deed of trust, lease or other encumbrances upon or including the Premises, regardless of recording and Lessee will execute a statement in writing to such effect at Lessor’s request, regardless of whether Lessee is required to give up certain rights hereunder.

7.4 Mortgagee Protection Clause.

Lessee agrees to give any mortgagees, trust deed holders and/or ground lessor, by registered mail, a copy of any notice of default served upon the Lessor, provided that prior to such notice Lessee has been notified in writing (by way of notice of assignment of lease, or otherwise) of the addresses of such mortgagees, trust deed holders and/or ground lessor. Lessee further agrees that if Lessor shall have failed to cure such default within the time provided for in this Lease, then the mortgagees and/or trust deed holders shall have an additional thirty (30) days within which to cure such default, or if such default cannot be cured within that time, then such additional time as may be necessary, provided such mortgagees, trust deed holders and/or ground lessor commence such cure within thirty (30) days and diligently pursue the remedies necessary to cure such default (including but not limited to commencement of foreclosure proceedings to effect such cure), in which event this Lease shall not be terminated while such remedies are being so diligently pursued.

7.00 8.00 GENERAL PROVISIONS.

7.01 8.1 Time of Essence.

Time is of the essence of each and every covenant, term, condition, and provision of this Lease.

7.02 8.2 Nonliability of City Officials and Employees; Conflicts of Interest; Commissions.

(a) Personal Liability.

No member, official, employee, agent or contractor of Lessor shall be personally liable to Lessee in the event of any default or breach by Lessor or for any amount which may become due
to Lessee or on any obligations under the terms of the Lease; provided, it is understood that nothing in this Section 8.02 is intended to limit Lessor’s liability.

(b) Financial Interest.

No member, official, employee or agent of Lessor shall have any financial interest, direct or indirect, in this Lease, nor participate in any decision relating to this Lease which is prohibited by law.

(c) Commissions.

Neither the Lessor nor the Lessee has retained any broker or finder or has paid or given, and will not pay or give, any third person any money or other consideration for obtaining this Lease. Neither party shall be liable for any real estate commissions, brokerage fees or finders’ fees which may arise from this Lease, and each party agrees to hold the other harmless from any claim by any broker, agent, or finder retained by such party.

7.03 8.3 Assignment/Transfer.

Lessee shall not assign, sublease, nor transfer this Lease or any of Lessee’s rights hereunder, or any interest in the Premises or in the improvements thereon, directly or indirectly, voluntarily or by operation of law, except as provided below, without the prior written approval of Lessor; and if so purported to be transferred, the same shall be null and void.

7.04 8.4 No Partnership.

Notwithstanding any other express or implied provision of this Lease, Lessor shall not in any way or for any purpose become or be deemed to be a partner of Lessee in its business or otherwise or a joint venturer, or a member of any joint enterprise with Lessee.

7.05 8.5 Force Majeure.

In the event that either party hereto shall be delayed or hindered in or prevented from the performance of any act required hereunder by reason of strikes, lock-outs, labor troubles, inability to procure materials, failure of power, governmental moratorium, riots, insurrection, war or other reason of a like nature not the fault of the party delaying in performing work or doing acts required under the terms of this Sublease (but excluding delays due to financial inability), and provided that Lessee gives Lessor written notice of the commencement of the delay within 10 days of said event, then performance of such act shall be excused for the period of such delay.

7.06 8.6 Severability.

If any covenant, term, condition, or provision of this Lease shall, to any extent, be invalid or unenforceable, the remainder of this Lease shall be valid and enforceable to the fullest extent permitted by law unless that covenant, term, condition, or provision declared to be invalid is so material that its invalidity deprives either party of the basic benefit of their bargain or renders the remainder of this Lease meaningless.
7.07  **Interpretation.**

DATE: March 8, 2011

TO: Mayor and City Council Members

FROM: Andy Takata, City Manager

SUBJECT: Second reading of Ordinance No. 1437 amending Title 6 of the Banning Municipal Code to regulate and control the keeping of animals

RECOMMENDATION:
That the City Council hold a public hearing and introduce the second reading of Ordinance No. 1437 amending Title 6 of the Banning Municipal Code by adopting by reference the entirety of Title 6 of the Beaumont Municipal Code entitled “Animals” to regulate and control the keeping of animals.

JUSTIFICATION:
Government Code §§ 50022.3 and 50022.4 require that the City Council hold a public hearing on the second reading of the ordinance.

BACKGROUND/DISCUSSION:
On February 22, 2011, the City Council held a public meeting on Ordinance No. 1437, heard the staff report, and took public testimony on the matter. The staff report for February 22, 2011 meeting is attached. As required by the Government Code, the City Council is required to hold a public hearing prior to the introduction of the second reading of the Ordinance.

FISCAL DATA:
The cost associated with the preparation of the ordinance is absorbed in the current staffing and budget.

City Council Staff Report
Dated February 22, 2011
DATE:  February 22, 2011

TO:   Mayor and City Council Members

FROM:  Andy Takata, City Manager

SUBJECT:  Amendment to Title 6 of the Banning Municipal Code to Regulate and Control the Keeping of Animals

RECOMMENDATION:
That the City Council adopt Ordinance No. 1437 amending Title 6 of the Banning Municipal Code by adopting by reference the entirety of the Title 6 of the Beaumont Municipal Code entitled “Animals” to regulate and control the keeping of animals and introduce the first reading of Ordinance No. 1437.

JUSTIFICATION:
The City’s current animal control regulations codified in Title 6 “Animals” of the Banning Municipal Code have not been updated since their adoption in 1965. The City currently contracts with the City of Beaumont for animal control services. It is efficient and convenient for the Beaumont animal control officers to enforce the regulations since they are already familiar with the Code. Adoption by reference the entirety of the Beaumont Municipal Code Title 6 provisions allows the enforcement officers to facilitate consistency and ease of enforcement between rules that apply in Banning and Beaumont to residents who wish to keep animals. Additionally, the ordinance updates the Banning animal control regulations and brings them into compliance with existing law.

BACKGROUND/DISCUSSION:
The City entered into a contract services agreement with the City of Beaumont on July 1, 2010 for providing animal control services. The Beaumont Police Department is the department within the City of Beaumont that enforces animal regulations. Since the Beaumont animal control officers are already familiar with their Municipal Code, it is more efficient and convenient for them to enforce the same code in Banning. Additionally, the City of Beaumont fully revised and amended to their animal ordinance in November 2009, which is fairly recent. By adopting by reference the entirety of the Beaumont Code would help not only to provide consistent and ease of enforcement between the two cities but also will update the Banning Animal Section of the Code, which has not been updated since 1965.

The most significant changes to the ordinance include a mandatory spaying or neutering of all dogs and cats within the City, or the requirement to obtain an unaltered license if the owner is unable to spay or neuter their animal; and mandatory micro-chipping of all dogs and cats that are licensed within the City. Certain exemptions apply, which include animals that are unable to be spayed, neutered, or micro-chipped as certified by a licensed veterinarian. For clarification, mandatory micro-chipping of cats applies only to cats that...
have been impounded and transported to the shelter will be required to be micro-chipped prior to their release back to their owner. The new ordinance prohibits owners from allowing unspayed or unaltered cats from remaining outdoors.

Fees for enforcing this ordinance will be evaluated and adopted as part of the City-wide fee evaluation/review.

FISCAL DATA:
The cost associated with the preparation of the ordinance is absorbed in the current staffing and budget.

6.02.180  Abandonment. It is unlawful for any person to knowingly abandon any animal within the City. Any person violating this Section shall bear full costs and expenses incurred by the City in the care of said abandoned animal and the person shall reimburse to the City all costs therefore as determined by the Animal Services Officer. Abandonment shall include the owner’s failure to redeem animals seized or impounded after proper notification of the seizure or impoundment has been issued.

6.02.210  Recoupment of Enforcement Costs. The City is hereby authorized to recoup all administrative costs reasonably related to the enforcement of this Title, including costs of staff time.

6.06.130  Denial or Revocation of License for Unaltered Dogs. The Department may deny or revoke an unaltered dog license for one or more of the following reasons:

   a. The owner, custodian, applicant or licensee is not in compliance with all of the requirements of this section;
b. The Department has received at least three complaints, verified by the Department, that
the owner, custodian, applicant, or licensee has allowed a dog to be stray or run at large or has

under this chapter are not paid within fourteen (14) days of the seizure, or, if the owner, within
fourteen (14) days of notice of availability of the animal(s) to be returned, fails to pay charges
permitted under this chapter and take possession of the animal(s), the animal(s) shall be deemed
to have been abandoned and may be disposed of by the impounding Officer. The cost of caring
for and treating any animal properly seized under this chapter shall constitute a lien on the
animal and the animal shall not be returned to its owner until the charges are paid, unless the
hearing officer determines that the seizure was unjustified.

6.08.080  Noncompliance with Order to Provide Veterinary Care. If the animal requires
veterinary care and the seizing agency is not assured, within fourteen (14) days of the seizure of
the animal(s), that the owner will provide the necessary care, the animal(s) shall not be returned
to its owner and shall be deemed to have been abandoned and may be disposed of by the
impounding Officer. A veterinarian or properly trained Animal Services Officer may humanely
destroy an impounded animal without regard to the prescribed holding period when it has been
determined that the animal has incurred severe injuries or is incurably ill or crippled. A
veterinarian or properly trained Animal Services Officer may also immediately humanely

determined by the Animal Services Officer that probable cause exists to believe the dog in

and impound the dog pending the hearings to be held pursuant to this Chapter. The owner or
keeper of the dog shall be liable to the City of Beaumont where the dog is impounded for the
costs and expenses of keeping the dog, if the dog is later adjudicated potentially dangerous.

6.12.060  Dangerous Animals-Disposition.
A. The owner of an animal which has bitten any person or a domestic animal, or has otherwise been determined, after a hearing, to be dangerous, may be required as a condition of the release of the animal from confinement or impoundment, in addition to paying all costs of any impoundment, to comply with the written disposition of the hearing officer which contains any or all of the following conditions requiring the owner:

1. Registration. To immediately register the animal that is found to be dangerous with the animal services officer, to comply with the animal services officers requirements for dangerous animals (including, but not limited to, requiring the animal to wear a visible, dangerous animal tag), and to keep such animal properly vaccinated at all times. The owner shall pay a fee to keep or maintain one dangerous animal for a twelve-month term and an additional fee for each additional dangerous animal. The fee shall be paid for each twelve-month term. Should the animal die in any four (4) month term, the owner shall notify the animal services officer of the death within two (2) working days of the death. The owner shall provide proof of the death to the satisfaction of the animal services officer. The amount of the fees shall be established from time-to-time by resolution of the City Council.

2. Confinement. To keep the animal securely confined on its premises in a locked enclosure approved by the hearing officer or the animal services officer from which the animal cannot escape and into which children cannot trespass. Such a kennel or structure must have secure sides and a secure top attached to the sides. All structures used to confine the animal must be locked with a key or combination lock when such animals are within the structure. Such structure must have a secure bottom or floor attached to the side of the pen or the sides of the pen must be embedded in the ground no less than two (2) feet. All structures erected to house an animal must comply with all zoning and building regulations of the City. All such structures must be adequately lighted, ventilated, and kept in a cleaned sanitary condition.

3. Confinement While on Leash. To keep the animal securely muzzled, restrained by a substantial leash of appropriate length and under the control of a responsible person eighteen (18) years of age or older who is physically capable of restraining the animal when the animal is not contained in a locked, secure enclosure.

4. Spay or Neuter the Animal. To have the animal spayed or neutered by a licensed veterinarian and to present proof to the animal services officer.

Such insurance policy shall provide that no cancellation of the policy will be made unless thirty days written notice is first given to the Animal Services Officer and the City Clerk's office.

6. Notification. To immediately inform any City, county, postmaster and utility company meter reader and anyone else that lawfully comes onto the property, of the animal's dangerousness and to inform the animal services officer and/or the hearing officer if the animal is moved to another location inside or outside the City limits as provided in Section 6.06.150 of this Chapter.

8. Identification. To have a registration number assigned to such animal tattooed by a licensed veterinarian on the animal's inner thigh or inserted by a licensed veterinarian under the animal's skin by means of an electronic identification device. For the purposes of this Section, "tattoo" shall be defined as any permanent numbering of an animal by means of indelible or permanent ink.

9. Inspection. To consent and agree to the entry upon the premises to any Animal Services Officer for the purpose of inspecting the animal and/or premises.

10. Payment of Costs. To make reasonable payment of one-half of the costs incurred by the City and the Animal Services Officer in the hearing process, not to exceed one thousand dollars ($1,000.00).

11. Other. To take any other steps deemed reasonably necessary to prevent injuries to the public.

The owner of the animal shall comply with the conditions imposed by the hearing officer within the time limit specified in Section 6.12.070 of this Chapter.

B. No dangerous animal shall be kept on a porch, patio or in any part of a house or structure that would allow the animal to exit such building on its own volition. In addition, no such animal may be kept in a house or structure when the windows are open or screen doors are the only obstacle preventing the animal from exiting the structure.

C. If, following the hearing, the subject animal is found to be dangerous and such a threat to public safety that even if reasonable conditions were imposed to release the animal to the owner it would create a significant threat to the public health, safety, or welfare, such animal may be destroyed. Such remedy shall be in addition to all other remedies at law or in equity and shall not limit or restrict such other remedies, including, but not limited to, Section 6.12.080(A), which authorizes the hearing officer to order an animal destroyed for violation of this Chapter or failure to meet a condition imposed by the hearing officer.

D. Any decisions made by the hearing officer shall be final.

E. If, after notice, the owner of an impounded animal fails to appear or be represented at the required hearing, then the animal may be considered abandoned. If the subject animal does not appear to be validly licensed and no owner can be found, and if the animal has been determined to be dangerous, then the animal may be considered abandoned and may be handled in the same manner as any other unclaimed stray animal.

F. If such an unlicensed animal has not been determined to be dangerous, it shall be returned to the owner, subject to the issuance of a citation for failure to obtain a license. A non-dangerous stray animal will be handled as any other stray animal.
G. In such cases where an impounded licensed animal is found to be dangerous, the animal may be released subject to the conditions set forth in Subsection A of this Section.

6.12.080    Enforcement and Penalties.

A. Failure to Comply. It is unlawful for the owner of an animal deemed dangerous under this Chapter to fail to comply with the requirements and conditions set forth in this Chapter. Any animal found to be the subject of a violation of this Chapter or of any condition imposed by the hearing officer pursuant to Section 6.12.060 of this Chapter shall be subject to immediate seizure and impoundment. In addition, failure to comply will result in the destruction of the animal. No such animal however, may be destroyed until the owner of the animal has received written notice from the hearing officer that the animal will be destroyed unless, within fourteen (14) days from the date of the notice:

1. The owner has demonstrated to the satisfaction of the hearing officer that the owner has fully complied with the requirements and conditions set forth in this Chapter, including, but not limited to, the conditions imposed by the hearing officer pursuant to Section 6.12.060 of this Chapter; or

2. The owner has filed in a court of competent jurisdiction a petition that seeks to stay destruction of the animal and has served a copy of such petition upon the hearing officer.

The notice from the hearing officer shall be served upon the owner either personally or by prepaid first-class mail. If, after (14) fourteen days from the date of such notice, the owner has not complied with the provisions of Subdivisions 1 or 2 of this Subsection, the hearing officer may, without further notice or process, have the animal destroyed.

B. Violation-Penalties. In the discretion of the Enforcement Officer (as that term is defined in Section 1.20.020 of the Banning Municipal Code), any person violating the provisions of this Chapter shall be issued an Administrative Citation pursuant to Banning Municipal Code Chapter 1.20, or shall be guilty of criminal penalties as provided under Banning Municipal Code Chapter 1.28. Each such violation shall be deemed a separate offense.

Notwithstanding the above, a first offense may be charged and prosecuted as a misdemeanor. Payment of any penalty herein shall not relieve any person from the responsibility for correcting the violation.

C. Ownership of Dangerous Animals. The owner of an animal determined to be dangerous under this Chapter shall be prohibited from owning, possessing, controlling or having custody of any other animal of the type, species, group or family to which the violation applies for a period of three years from the date of violation when it is found after the hearing conducted pursuant to Section 6.12.070 of this Chapter that ownership or possession of such animal by that person would create a significant threat to public health, safety or welfare.

D. Enforcement. Any provision of this Chapter may be enforced by the Police Department, Fire Department, the animal services officer or any authorized designee of the City Manager. Complaints of any violations of this Chapter which are subject to penalties under this Section may be presented to the District Attorney's office or to the City Attorney for prosecution.
E. Nuisance Abatement Lien. The costs of abating a public nuisance pursuant to the provisions of this Chapter may be recovered from the owner of the animal causing the public nuisance. If the owner fails to pay such costs within thirty days from the date of invoice or within an extended period of time agreed to in writing by the hearing officer, the costs may be collected by a nuisance abatement lien, as provided by Section 38773.1 of the California Government Code. Notice of the lien shall be given to the owner of record of the parcel of land on which the nuisance is maintained prior to recordation of the lien and in the manner specified in said Section 38773.1.

F. Penalties and Remedies Cumulative. The penalties and remedies specified herein shall not be exclusive but shall be cumulative with all other remedies at law or in equity. The City may, in its discretion, elect to pursue anyone or more of the penalties or remedies provided for herein or at law or in equity.

(Ord. 960, 10/20/09; Section 1)

6.08.040 Length of Confinement. The Animal Services Officer shall cause for the confinement of the animal as required by this Title for the period of time as required by statute. (Ord. 960, 10/20/09; Section 1)
6.08.050 Post-Seizure/ Impound Hearing. Whenever an Animal Services Officer seizes, impounds, or receives an animal based on a reasonable belief that prompt action is required to protect the health or safety of the animal or the health or safety of others, the officer shall, prior to the commencement of any enforcement proceedings, provide the owner or keeper of the animal, if known or ascertained after reasonable investigation, with the opportunity for a post-seizure hearing as hereinafter provided to determine the validity of the seizure or impoundment, or both.

A. The Animal Services Department shall cause a notice to be affixed to a conspicuous place where the animal was situated or personally deliver a notice of the seizure or impoundment, or both, to the owner or keeper within 48 hours, excluding weekends and holidays. The notice shall include all of the following:

1. The name, business address, and telephone number of the officer providing the notice;

2. A description of the animal(s) seized, including any identification upon the animal(s);

B. The post-seizure hearing shall be conducted pursuant to Chapter 6.22 of this Title.

C. Failure of the owner or keeper, or of his or her agent, to request a hearing within the prescribed time period, or to attend a scheduled hearing, shall result in forfeiture of any right to a post-seizure hearing or right to challenge his or her liability for costs incurred.
D. The City shall be responsible for the costs incurred for caring and treating the animal(s), if it is determined in the post-seizure hearing that the seizing officer did not have reasonable grounds to believe prompt seizure of the animal(s), was required to protect the health or safety of the animal or the health or safety of others. If it is determined the seizure was justified, the owner or keeper shall be personally liable to the City for the cost of the seizure and care of the animal(s), and the animal(s) shall not be returned to its owner until the charges are paid and the City or hearing officer has determined that the animal(s) is physically fit or the owner demonstrates to the City’s or the hearing officer’s satisfaction that the owner can and will provide the necessary care.

6.08.060 Hearing Prior to Seizure of Animal(s). Where the need for immediate seizure is not present and prior to the commencement of any criminal proceedings, the animal services officer shall provide the owner or keeper of the animal(s), if known or ascertained after reasonable investigation, with the opportunity for a hearing prior to any seizure or impoundment of the animal(s). 5. A statement that the cost of caring for and treating any animal properly seized is a lien on the animal, that any animal seized shall not be returned to the owner until the charges are paid, and that failure to request a hearing within the prescribed time period, or to attend a scheduled hearing shall result in a conclusive determination that the animal(s) may properly be seized and that the owner shall be liable for the charges.

B. The pre-seizure hearing shall be conducted pursuant to Chapter 6.22 of this Title.

C. Failure of the owner or keeper, or his or her agent, to request a hearing within the prescribed time period or to attend a scheduled hearing, shall result in a forfeiture of any right to a pre seizure hearing or right to challenge his or her liability for costs incurred to this chapter. (Ord. 960, 10/20/09; Section 1)

6.08.070 Cost of Seizure and Care – Owner Liable. The cost of caring for and treating any animal properly seized under this chapter shall constitute a lien on the animal and the animal shall not be returned to its owner until the charges are paid, unless the hearing officer determines that the seizure was unjustified. (Ord. 960, 10/20/09; Section 1)

6.08.080 Noncompliance with Order to Provide Veterinary Care. If the animal requires veterinary care and the seizing agency is not assured, within fourteen (14) days of the seizure of the animal(s), that the owner will provide the necessary care, the animal(s) shall not be returned to its owner and shall be deemed to have been abandoned and may be disposed of by the impounding Officer. A veterinarian or properly trained Animal Services Officer may humanely destroy an impounded animal without regard to the prescribed holding period when it has been determined that the animal has incurred severe injuries or is incurably ill or crippled. A veterinarian or properly trained Animal Services Officer may also immediately humanely destroy an impounded animal afflicted with a serious contagious disease unless the owner or his or her agent immediately authorizes treatment of the animal(s) by a veterinarian at the expense of the owner or agent. (Ord. 960, 10/20/09; Section 1)
6.08.090 Return to Owner – Conditions. No animal properly seized under this chapter shall be returned to its owner until, in the determination of the seizing agency or hearing officer, the animal is physically fit or the owner can demonstrate to the seizing agency’s or hearing officer’s satisfaction that the owner can and will provide the necessary care, and that the owner has complied with all requirements of this and any other Titles in this Code. (Ord. 960, 10/20/09; Section 1)

6.08.100 Authority of the Hearing Officer. All hearings conducted pursuant to this chapter shall be conducted in accordance with the provisions of Chapter 6.22 of this Title. In the event a sufficient quantum of evidence presented at the hearing supports a determination for seizure, impoundment and/or termination of the owner’s rights of the animal(s), the hearing officer as a part of his decision may order, but is not limited to ordering, that one or more of the following actions be undertaken:

1. That the owner’s and/or custodian’s rights in and to the dog, cat or other animal(s) is terminated;

2. That the owner or custodian of the dog, cat or other animal(s) shall remove the animal(s) from the premises by a specified date;

That animal control personnel shall sell, give away, or otherwise dispose of, the animal(s) with the owner or custodian of the animal(s) being responsible to reimburse the city or agency as designated by the City for all costs and expenses including, but not limited to, board, care, veterinary services, and costs of disposal. If the animal(s) are sold, the proceeds from the sale shall go to the City or agency designated by the City.

A decision upholding seizure or impoundment shall become effective upon issuance. A decision terminating an owner’s rights in the animal(s) shall become effective thirty (30) days from the date the decision is mailed unless a stay of execution is granted. (Ord. 960, 10/20/09; Section 1)

**6.12.060 Dangerous Animals-Disposition.**

A. The owner of an animal which has bitten any person or a domestic animal, or has otherwise been determined, after a hearing, to be dangerous, may be required as a condition of the release of the animal from confinement or impoundment, in addition to paying all costs of any impoundment, to comply with the written disposition of the hearing officer which contains any or all of the following conditions requiring the owner:

1. **Registration.** To immediately register the animal that is found to be dangerous with the animal services officer, to comply with the animal services officers requirements for dangerous animals (including, but not limited to, requiring the animal to wear a visible, dangerous animal tag), and to keep such animal properly vaccinated at all times. The owner shall pay a fee to keep or maintain one dangerous animal for a twelve-month term and an additional fee for each additional dangerous animal. The fee shall be paid for each twelve-month term. Should the animal die in any four (4) month term, the owner shall notify the animal services officer of the death within two (2) working days of the death. The owner shall provide proof of the death to the satisfaction of the animal services officer. The amount of the fees shall be established from time-to-time by resolution of the City Council.
2. **Confinement.** To keep the animal securely confined on its premises in a locked enclosure approved by the hearing officer or the animal services officer from which the animal cannot escape and into which children cannot trespass. Such a kennel or structure must have secure sides and a secure top attached to the sides. All structures used to confine the animal must be locked with a key or combination lock when such animals are within the structure. Such structure must have a secure bottom or floor attached to the side of the pen or the sides of the pen must be embedded in the ground no less than two (2) feet. All structures erected to house an animal must comply with all zoning and building regulations of the City. All such structures must be adequately lighted, ventilated, and kept in a cleaned sanitary condition.

3. **Confinement While on Leash.** To keep the animal securely muzzled, restrained by a substantial leash of appropriate length and under the control of a responsible person eighteen (18) years of age or older who is physically capable of restraining the animal when the animal is not contained in a locked, secure enclosure.

4. **Spay or Neuter the Animal.** To have the animal spayed or neutered by a licensed veterinarian and to present proof to the animal services officer.

5. **Insurance.** To provide and maintain financial responsibility for injuries to the public by obtaining and showing proof of liability insurance in the form and amount deemed to be acceptable by the hearing officer in light of all the circumstances. Such insurance policy shall provide that no cancellation of the policy will be made unless thirty days written notice is first given to the Animal Services Officer and the City Clerk's office.

6. **Notification.** To immediately inform any City, county, postmaster and utility company meter reader and anyone else that lawfully comes onto the property, of the animal's dangerousness and to inform the animal services officer and/or the hearing officer if the animal is moved to another location inside or outside the City limits as provided in Section 6.06.150 of this Chapter.

7. **Signs.** To display in a prominent place on the premises a sign easily readable by the public using the words "Beware of Dog" or "Beware of Animal" in letters at least three (3) inches high.

8. **Identification.** To have a registration number assigned to such animal tattooed by a licensed veterinarian on the animal's inner thigh or inserted by a licensed veterinarian under the animal's skin by means of an electronic identification device. The manner and method of identification to be used hereunder shall be determined by the hearing officer. For the purposes of this Section, "tattoo" shall be defined as any permanent numbering of an animal by means of indelible or permanent ink.
9. **Inspection.** To consent and agree to the entry upon the premises to any Animal Services Officer for the purpose of inspecting the animal and/or premises.

10. **Payment of Costs.** To make reasonable payment of one-half of the costs incurred by the City and the Animal Services Officer in the hearing process, not to exceed one thousand dollars ($1,000.00).

11. **Other.** To take any other steps deemed reasonably necessary to prevent injuries to the public.

The owner of the animal shall comply with the conditions imposed by the hearing officer within the time limit specified in Section 6.12.070 of this Chapter.

B. No dangerous animal shall be kept on a porch, patio or in any part of a house or structure that would allow the animal to exit such building on its own volition. In addition, no such animal may be kept in a house or structure when the windows are open or screen doors are the only obstacle preventing the animal from exiting the structure.

C. If, following the hearing, the subject animal is found to be dangerous and such a threat to public safety that even if reasonable conditions were imposed to release the animal to the owner it would create a significant threat to the public health, safety, or welfare, such animal may be destroyed. Such remedy shall be in addition to all other remedies at law or in equity and shall not limit or restrict such other remedies, including, but not limited to, Section 6.12.080(A), which authorizes the hearing officer to order an animal destroyed for violation of this Chapter or failure to meet a condition imposed by the hearing officer.

D. Any decisions made by the hearing officer shall be final.

E. If, after notice, the owner of an impounded animal fails to appear or be represented at the required hearing, then the animal may be considered abandoned. If the subject animal does not appear to be validly licensed and no owner can be found, and if the animal has been determined to be dangerous, then the animal may be considered abandoned and may be handled in the same manner as any other unclaimed stray animal.

F. If such an unlicensed animal has not been determined to be dangerous, it shall be returned to the owner, subject to the issuance of a citation for failure to obtain a license. A non-dangerous stray animal will be handled as any other stray animal.

G. In such cases where an impounded licensed animal is found to be dangerous, the animal may be released subject to the conditions set forth in Subsection A of this Section. (Ord. 960, 10/20/09; Section 1)

A. Sale or Transfer within City. No person shall sell, transfer or in any other way dispose of an animal deemed dangerous under this Chapter to any person within the City, including, but not limited to, temporary housing in privately-owned and commercial kennels unless the recipient person resides permanently in the same household and on the same premises as the owner of such animal.

B. Sale or Transfer Outside City. The owner of an animal that has been deemed dangerous under this Chapter may sell, transfer, or otherwise dispose of such animal or the offspring thereof to persons who do not reside within the City, provided the owner first notifies the hearing officer and the Animal Services Officer of the proposed sale or transfer. Such notice shall be given not less than fifteen (15) days in advance of the sale or transfer and shall specify the name and address of the recipient person. Upon receipt of such notice, the hearing officer or the Animal Services Officer may notify the governmental jurisdiction in which the recipient person is located or resides. Failure to comply with these notification provisions shall be grounds for immediate impoundment of the animal by the Animal Services Officer.

C. Sale or Transfer Into City. 6.20.080 Marking Hives, Presumption of Beekeeping
6.20.090 Inspection
6.20.100 Compliance

6.20.010 **Purpose and Intent.** The city Council finds that honey bees are of benefit to mankind by providing agriculture, fruit, and garden pollination services and by furnishing honey, wax, and other useful products. The City Council recognizes that gentle strains of honey bees can usually be maintained within populated areas within reasonable densities without causing a nuisance if the bees are properly located and carefully managed. The purpose of this Chapter is to establish certain requirements of sound beekeeping practices, which are intended to avoid problems that may otherwise be associated with the keeping of bees in populated areas. (Ord. 960, 10/20/09; Section 1)

6.20.020 **Hives.** All bee colonies shall be kept in Langstroth type hives with removable frames, which shall be kept in sound and useable condition. (Ord. 960, 10/20/09; Section 1)

6.20.030 **Fencing of Flyways.** In each instance in which any colony is situated within twenty-five (25) feet of a public or private property line of the tract upon which the apiary is situated, as measured from the nearest establishment, the beekeeper shall maintain a flyway barrier at least six (6) feet in height consisting of a solid wall, fence, dense vegetation, or combination thereof that is parallel to the property line and extends ten feet beyond the colony in each direction so that all bees are forced to fly at an elevation of at least six (6) feet above ground level over the property lines in vicinity of the apiary. It is a defense to prosecution under this section that the property adjoining the apiary tract in the vicinity of the apiary is undeveloped property for a distance of at least twenty-five (25) feet from the property line of the apiary tract. (Ord. 960, 10/20/09; Section 1)
6.20.040 Water. Each beekeeper shall ensure that a convenient source of water is available at all times to the bees so that the bees will not congregate at swimming pools, bibcock, pet watering bowls, bird baths, or other water sources where they may cause human, bird, or domestic pet contact. (Ord. 960, 10/20/09; Section 1)

6.20.050 General Maintenance. Each beekeeper shall ensure that no bee comb or other materials are left upon the grounds of the apiary site. Upon their removal from the hive all such materials shall promptly be disposed in a sealed container or placed within a building or other bee proof enclosure.

6.20.060 Queens. In any instance in which a colony exhibits unusually aggressive characteristics by stinging or attempting to sting without due provocation or exhibits an unusual disposition towards swarming, it shall be the duty of the beekeeper to promptly requeen the colony. Queens shall be selected from stock bred for gentleness and non-swarming characteristics. (Ord. 960, 10/20/09; Section 1)

6.20.070 Colony Densities.

A. It shall be unlawful to keep more than the following number of colonies on any tract within the City, based upon the size of configuration of the tract on which the apiary is situated:

1. One quarter acre or less tract size two (2) colonies.
2. More than one-quarter acre but less than one-half acre tract size four (4) colonies.
3. One-half acre but less than one acre tract size six (6) colonies.
4. One acre or larger tract size eight (8) colonies.

Regardless of tract size, where all hives are situated at least two hundred (100) feet in any direction from the property lines of the tract on which the apiary is situated, there shall be no limit to the number of colonies.

Regardless of tract size, so long as all property, other than the tract upon which the hives are situated, that is within a radius of at least two hundred (200) feet from any hive remains undeveloped property, there shall be no limit to the number of colonies.

B. For each two (2) colonies authorized under Colony densities (Subsection A) there may be maintained upon the same tract one nucleus colony in a hive structure not exceeding one standard 9 5/8 inch depth ten-frame hive body with no supers attached as required from time to time for management of swarm. Each such nucleus colony shall be disposed of or combined with an authorized colony within thirty (30) days after the date it is acquired.
6.20.080 Marking Hives, Presumption of Beekeeping.

A. In apiaries, name and telephone numbers shall be branded, painted, or otherwise clearly marked upon the structure of at least two (2) hives at opposite ends of the apiary. Instead of marking the hives, the beekeeper may conspicuously post a sign setting forth the name and telephone number of the beekeeper. It is a defense to prosecution under this subsection that a colony is kept upon the same tract upon which the owner resides.

B. Unless marked in accordance with Subsection (A) it shall be presumed for purposes of this article that the beekeeper is the person or persons who own or otherwise have the present right of possession and control of the tract upon which a hive or hives are situated. The presumption may be rebutted by a written agreement authorizing another person to maintain the colony or colonies upon the tract setting forth the name, address, and telephone number of the other person who is acting as the beekeeper. (Ord. 960, 10/20/09; Section 1)

6.20.090 Inspection. The Animal services officer shall have the right to inspect any apiary between the hours of 8:00 a.m. and 5:00 p.m. Where practicable, prior notice shall be given to the beekeeper if he resides at the apiary or if his name is marked on the hives. (Ord. 960, 10/20/09; Section 1)

6.20.100 Compliance.

A. Upon receipt of information that any colony situated within the City is not being kept in compliance with this Title, the Department shall cause an investigation to be conducted. If he finds that grounds exist to believe that one or more violations have occurred he shall cause a written notice of hearing to be issued to the beekeeper.

B. The notice of hearing shall set forth:

1. The date, time and place at which the hearing will be conducted.

2. The violation(s) alleged,

3. That the beekeeper may appear in person or through counsel, present evidence, cross examine witnesses, and request a court reporter.

4. That the bees may be ordered destroyed or removal from the City if the hearing officer finds that they have been kept in violation of this article.

BMC Title 6:47

140
Notice shall be given by certified United States Mail or personal delivery. However, if the City is unable to locate the beekeeper, then the notice may be given by publication one time in a newspaper of general circulation at least five (5) days prior to the date of the hearing.

C. The hearing shall be conducted by the Hearing Officer. The burden shall be on the city to demonstrate by a preponderance of credible evidence that the colony or colonies have in fact been kept in violation of this Title. If the hearing officer finds that the colony or colonies have been kept in violation of this Chapter, then he may order that the bees be destroyed or removed from the City, not to exceed twenty (10) days, and that bees not thereafter be kept upon the tract for a period of two (2) years. In instances where the hearing officer finds that the violations were not intentional and that the beekeeper has employed corrective actions that will probably be effective to cure the violations alleged, then he may issue a warning in lieu of ordering the bees be removed or destroyed. Upon failure of the beekeeper to comply with the order, the officer may cause the bees to be destroyed and the hive structures to be removed. In each instance in which a bee colony is destroyed all usable components of the hive structure that are not damaged or rendered unhealthy by the destruction of the bees shall upon the beekeeper's request be returned to the beekeeper, provided that the beekeeper agrees to bear all transportation expense for their return.

D. The decision of the hearing officer may be appealed to the City Council by filing a notice to appeal with the City within ten (10) days following the date that the hearing officer announces his decision, or if the decision is not announced at the conclusion of the hearing, then within fifteen (15) days following the date that the hearing officer places written notice of his decision in the mail to the beekeeper. An appeal shall not sway the hearing officer's decision, and it shall be the responsibility of the beekeeper to remove the bees from the City pending the determination of the appeal.

E. The provisions of the section shall not be construed to require a hearing for the destruction of (1) any bee colony not residing in a hive structure intended for beekeeping or (2) any swarm of bees or (3) any colony residing in a standard or man-made hive, which by virtue of its condition, has obviously been abandoned by the beekeeper.
Chapter 6.22

6.22.010 Purpose
6.22.020 Neutral Hearing Officer
6.22.030 Scheduling the Hearing
6.22.040 Hearing Procedures
6.22.050 Recording
6.22.060 Hearing Officer's Decision
6.22.070 Appeal to the Riverside County Superior Court
6.22.080 Failure to Appeal

6.22.010 Purpose. It is the purpose of this Chapter to provide standardized animal control hearing procedures concerning the seizure and impoundment of animals. Specifically, the hearings required by Chapter 6.08 regarding seizure and impoundment, Chapter 6.10 regarding potentially dangerous dogs and Chapter 6.12 regarding dangerous animals, shall be conducted in accordance with the procedures set forth in this Chapter 6.22. (Ord. 960, 10/20/09; Section 1)

6.22.020 Neutral Hearing Officer. All hearings conducted pursuant to this Chapter shall be conducted by the Chief of Police or his designee who shall not have been directly involved in the subject action and shall not be subordinate in rank to the person seizing or impounding the animal(s). The name of the candidate hearing officer shall be promptly communicated to the owner of the animal, and the owner shall have 24 hours to disqualify the candidate on the grounds that the owner reasonably believes that the candidate is prejudiced against the owner or the interests of the owner. (Ord. 960, 10/20/09; Section 1)

6.22.030 Scheduling the Hearing. The designated hearing officer shall schedule the hearing, and the hearing shall be conducted, within 10 business days of the date the hearing officer is appointed; provided, however, that the hearing officer may continue the hearing for a reasonable period of time if he/she deems such continuance to be necessary and proper, or if the owner or custodian of the animal shows good cause for such continuance. (Ord. 960, 10/20/09; Section 1)
6.22.040 Hearing Procedures. To the extent applicable and feasible, the hearing officer shall conduct the hearing in compliance with the following guidelines:

A. The Animal Services Officer shall have the burden of proof to establish, by a preponderance of the evidence, the existence of the condition or conditions which gave rise to the need for seizure or impoundment or otherwise.

B. The Animal Services Officer shall present its case first, following by the party against whom the seizure or impoundment is being proposed. The Animal Services Officer may present rebuttal in the discretion of the hearing officer.

C. Each party shall have the right to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any other matter relevant to this issue even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness, and to rebut evidence.

D. Oral evidence shall be taken only on oath.

E. The hearing need not be conducted according to technical rules of evidence. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing to explaining other evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be irrelevant and unduly repetitious evidence shall be excluded.

6.22.050 Recording. The hearing may be recorded if ordered by the hearing officer or requested by the owner or custodian of the animal. A stenographic report shall also be made of the proceedings if ordered by the hearing office or requested by the owner or custodian, with the costs thereof to be borne by the person making the order or request. A copy of the recording or transcript of the proceeding shall be made available to person upon request and upon payment of the cost of the preparation thereof.

6.22.060 Hearing Officer's Decision. Within 3 business days after the conclusion of the hearing, the hearing officer shall render, in writing, his/her findings, decision and order thereon, and shall give notice, in writing, of the determination and orders issued, either personally or by first-class mail, postage prepaid. Specific findings that shall be made by the hearing officer, and a more complete statement of the hearing officer's disposition authority may be found in Chapters 6.08, 6.10 and 6.12 of this Title.
6.22.070  **Appeal to the Riverside County Superior Court.** If the owner or custodian of the animal contests the hearing officer's determination, he/she may, within 5 days of the receipt of the notice of determination, appeal the decision to the Riverside County Superior Court and shall pay a fee for filing such appeal to the Clerk of the Court, as provided in Section 70826(b) of the Government Code.

The owner or custodian of the dog shall serve personally, or by first-class mail, postage prepaid, the notice of appeal on the Chief of Police.

The Court hearing the appeal shall conduct a hearing in accordance with the provisions of Section 30612(b) of the Flood and Agriculture Code. The determination of the Court hearing the appeal shall be final and conclusive upon all parties.

6.22.080  **Failure to Appeal.** If the owner or custodian of the animal fails to appear at the hearing, the hearing officer, and the Superior Court hearing the appeal, may decide all issues for or against such absent owner or custodian.

PUBLIC HEARING

Date: February 22, 2011

TO: City Council

FROM: Heidi Meraz, Community Services Director

SUBJECT: Resolution No. 2011-10, A Resolution of the City Council of the City of Banning Approving Adoption of the Banning Parks and Recreation Master Plan Update

RECOMMENDATION: The Council adopt Resolution No. 2011-10, Approving Adoption of the Banning Parks and Recreation Master Plan Update.

JUSTIFICATION: The proposed Parks and Recreation Master Plan encompassed an extensive process to identify both current and future needs for recreation facilities, parks and programs and provides a strategy for addressing these needs in a fiscally responsible manner. This Plan will become a working document for City Staff, the Parks and Recreation Advisory Committee, Planning Commission and City Council.

BACKGROUND: The City of Banning Parks and Recreation Master Plan was created and adopted in 1990. The document had a fifteen year plan for the development of the park system. However, sufficient funding to implement the plan was not identified and the plan essentially not implemented. In 2006 City Council directed staff to move forward with an update to the existing Master Plan.

In fall of 2008 Council approved a proposal from RJM Design Group, Inc to develop an update of the Master Plan. The kick-off meeting for the update was held with City Staff and Consultants in February 2009 and a project schedule was set. The update process included the following elements:

- Workshop with City Staff and Parks and Recreation Advisory Committee
- Compilation of existing recreation programs offered to residents
- Consultant/City Staff tour of city park and recreation facilities and school district sites
to inventory existing facilities.
- Recreation Needs Assessment conducted through telephone survey and Sports Organization Questionnaires
- Community Workshop
- Joint Meeting of the City Council, Planning Commission and Parks and Recreation Advisory Committee with a presentation of the draft Master Plan Update.
- For review and comment, Draft Master Plan distributed to member of the Banning Unified School Board through the office of the Superintendent
Parks and Recreation Advisory Committee's Recommendation

On October 20, 2010 at the regularly scheduled meeting of the Parks and Recreation Advisory Committee the Committee recommended that City Council approve the adoption of the proposed Parks and Recreation Master Plan.

**FISCAL DATA:** The adoption of the Parks and Recreation Master Plan has no immediate fiscal impact. Any future projects and programs that are proposed in accordance with the Master Plan will be taken to Council for consideration and approval before implementation, at which the funding source for such would be identified.
