

CITY MANAGER COMMUNITY REPORT

March 2017

Roosevelt Williams Park Improvements

The City will be moving forward with significant improvements to Roosevelt Williams Park, located just south of Hoffer Elementary School.

The new park improvements will add two new concrete basketball courts, a multi-purpose sports field, new playground equipment, and improvements to the existing bathrooms and community building. Security features include gates to close the parking lots at night, as well as dozens of LED overhead lights throughout the park and walking trail.

City Council Meetings Report

The Banning City Council met on March 14th and 28th and took action on several items including:

- Accepted a \$70,000 City Law Enforcement Grant to help fund additional resources to address issues related to homelessness.
- Accepted a grant that will fund the City's Bicycle and Safe Routes to School Improvement Project. This project will add bicycle lanes and pedestrian improvements along several streets leading to schools in Banning. The grant will reimburse the City for 100% of the project.

City of Banning Town Hall Meeting

**Tuesday, April 18th
6:00 PM - 8:00 PM**

**Banning Senior Center
769 N. San Geronio Avenue**

Let your Voice Be Heard | Refreshments will be Provided

The City of Banning will be hosting its 11th Annual Disaster Survival Expo on Saturday, April 29th at City Hall from 10 AM to 2 PM. This free event will help prepare residents for natural disasters and other emergencies.

The keynote speaker for the Expo will be Dr. Lucy Jones, a famous seismologist. Participating agencies will also be onsite to share information and giveaways. View the event flyer with more details at banning.ca.us.
