- Refrigerator/Freezer Recycling Incentives Residential

Program Description:

This program is designed to provide monetary incentives for the recycling of operating refrigerators and/or stand-alone freezers that are old and inefficient. The refrigerators and stand-alone freezers are picked up and transported to a recycling facility for processing.

Program Guidelines:

- This program is available to the City of Banning residential electric customers.
- Customers will be reimbursed any fees paid to the recycler up to \$90.00.
- Fee reimbursements will be **credited** to customer's electric account.
- To qualify for the fee reimbursement, the operating refrigerator or freezer must be 12 to 28 cubic feet in size.
- The limit is one appliance pickup, and one rebate per customer account per calendar year.
- The program is being offered to provide energy savings to participating electric customers, as well as to the City of Banning Electric Utility.
- A Freon certified specialist, approved by the City of Banning, must do the removal.
- Following the removal of the Recycled Refrigerator/Freezer, complete and return the application to: City of Banning, Public Benefits Department, 176 E. Lincoln Street, Banning, CA 92220 or Email to PublicBenefits@banningca.gov.
- A copy of the dated invoice, or receipt, must be attached to the application.
- Reimbursement will be issued within 6 to 8 weeks after verification of submitted paperwork.
- \$90.00 Reimbursement Fee Program will continue provided funds are available.
- Call A-1 Appliance Center 951-849-9029 to schedule an appointment.
- Visit our website at: Banningca.gov
